

Workplace Giving

Team up with the Club!

71% of surveyed employees say it is imperative or very important to work where culture is supportive of giving and volunteering.

PAYROLL DEDUCTION + MONTHLY GIVING

Monthly giving is easy! Employees can set an amount each paycheck or month that they feel comfortable redistributing to BGCTM. \$5, \$20, \$50?

MATCHING GIFTS

We'd love to talk to your staff about donating an one-time gift to the Club. Gifts often increase when employees hear their employer will **MATCH** what they give.

DENIM DAY

Do your employees wear a uniform everyday? Could you incentivize them to give to BGCTM if in exchange they were allowed to wear jeans to work? \$10= Denim Day

VOLUNTEERING

We have so many fun ways for our community to get involved with our members. Tutoring, mentoring, sports, STEM, art projects, or you can work in our food pantry or kitchen!

According to a Project ROI study, a well-designed corporate social responsibility program can increase employee engagement by up to **7.5%**, increase employee productivity by **13%**, reduce employee turnover by **50%**, and increase revenue by as much as **20%**.

LET'S TALK!
