Fun With a Purpose

The Boys & Girls Club of Truckee Meadows (BGCTM) is the leading non-profit youth organization in northern Nevada. By partnering with the Boys & Girls Club, you are helping us achieve our mission of serving the youth in our community who need us most.

A vital resource we use to attract youth ages 6-18 to our Club is the promise of fun and creative programming throughout the year. As you will notice, the events in this booklet are centered around creating a fun experience for Club members. But at BGCTM, our fun comes with strategic and intentional programming. As youth participate in these events, they are learning life skills, building character, developing leadership skills and growing into our community's future leaders.

This kind of impactful programming has made BGCTM what it is today and is only possible with help from our community partners. While partnering with the Boys & Girls Club undoubtedly helps the youth in the community thrive, it can also help you. By partnering with us to reach our mission, we can bring your business more exposure in the community and help you enhance your company's status through our respected voice.

An added benefit of a Boys & Girls Club partnership is providing your staff/team with the chance to volunteer. Research has proven that employees who engage in volunteer efforts with one another can show an increase in productivity improvement in perspective and can exhibit more ethical behavior. Plus, it's fun!

The events in this booklet all have the potential to provide marketing for your brand, exposure to a large audience and a unique opportunity to build trust between your brand and our community. All while simultaneously supporting kids in Reno, Sparks, Fernley, Ely, Tonopah, Panaca, and Lovelock.

Great Futures Start Here, because of sponsors like you.

In addition to the various brand opportunities which are associated with each event, partnering with the Boys & Girls Club of Truckee Meadows will provide exposure through the following vehicles of communication:

- Exposure to 25,000+ local email subscribers
- Presence as a community partner on the Club website (www.bgctm.org), newsletters and other marketing collateral
- Social media support with 25,000 average monthly impressions
- Promotions at various sites around northern Nevada
- Engagement opportunities with nearly 13,000 Club members and their families
- Visibility as a partner of a highly respected organization serving Reno/Sparks/Fernley/Ely/Tonopah/Panaca for 40+ years

For more sponsorship information and to secure your partnership, contact Colie Glenn, VP of Marketing and Resource Development, at clgenn@bgctm.org or 775-360-2444.
